

**International Gourmet Festival  
'Chefs at the Parc, edition 2020  
will be postponed until 2021.**

On May 2019, Parc Broekhuizen hosted first edition of the international Gourmet Festival Chefs at the Parc. We proudly presented 64 Michelin- starred chefs who prepared a total of two beautiful lunches, three dinners and a special Kitchen Party in four days. 1200 guests had a good time and were very happy with the results.

After the successful ending of the first edition, we started planning the second one scheduled for May 2020. The plan was to make it even bigger and we have had a lot of stakeholders working on this project. Many International chefs and partners were excited to welcome our guests.

Since several weeks, the circumstances for our International chefs have changed. It started with the Asian chefs but at this point all International chefs are dealing with temporary closings. It is getting obvious that the International chefs will not be able to travel to the Netherlands at the beginning of May.

Jacob Jan Boerma: 'Unfortunately this means that we had to make the decision to cancel the event for 2020, we will focus on a very special edition for 2021'.

## Parc Broekhuizen

Hospitality is our main priority at Boutique Hotel Parc Broekhuizen. The Main house contains four different Salons and the Carriage hall, right beside the Mainhouse. In those five different venues we host numerous events. The 22 suites and hotelrooms have an exceptional atmosphere, are unique and have both comfort and luxury. All surrounded by an almost literally tangible history. Our restaurant, situated on the ground floor of the Main house, received a Michelinstar in 2018 which ensures our guests a culinary journey. Our kitchen embraces the overwhelming nature, surrounding both the Main house and the Carriage hall.

In short, it all comes together at the Parc! For Jacob Jan Boerma and Anita bos therefor an excellent venue for the culinary festival!
